Box #5 Save Our Groundwater Memorabilia

SOG watering can – this is the major way we raised funding for SOG from 2001-2014. The can would be put out at meetings and people donated as they could. Over time we evolved to a membership organization and then annual dues also helped to sustain SOG’s work on groundwater protection.

Denise Hart’s water drop costume – Denise made this costume to wear over clothing and she became a “water drop” during demonstrations and rallies along Route 4 and at the Lee traffic circle.

Box # 22
