SOG Petitions (copies) – 2006-2007 delivered to NHDES

Box #5 Save Our Groundwater Memorabilia

SOG watering can – this is the major way we raised funding for SOG from 2001-2014. The can would be put out at meetings and people donated as they could. Over time we evolved to a membership organization and then annual dues also helped to sustain SOG's work on groundwater protection.

Denise Hart's water drop costume – Denise made this costume to wear over clothing and she became a "water drop" during demonstrations and rallies along Route 4 and at the Lee traffic circle.

Box # 22

Poster from The Peoples' Forum in Defense of Water from the 4th International World Water Forum 2006 held in Mexico City, Mexico. Denise Hart and Olivia Zink attended as delegates from the U.S. to the official forum and participants in the alternative Peoples' forum. (in map tube)

Box No. 285

Save Our Groundwater Portfolio - memorabilia and educational materials used by SOG

Oversize posters, news stories, road signs, rally signs, maps,

Nottingham tax maps showing USA Springs, Inc. site (in mailing tube)
